

Counselor's Handbook

DRAFT · PLACEHOLDER — final content coming

Before You Pray

Introduce yourself. Ask their name. Listen first. Most people just need someone kind to stand with them — slow down and be present.

The Gospel, Simply

God loves you and made you on purpose. We have all fallen short — that is sin. Jesus died and rose to make us new. Turn to Him, trust Him, and follow Him.

New Believers

Give every new believer the “Now That You Are Saved” booklet and walk them to the follow-up table. Get a name and a way to connect them with a local church.

Do & Do Not

DO keep prayer short, warm, and hopeful. DO get a leader for anything medical or heavy. DO NOT diagnose, debate, or give out personal contact info.
